**DETAILED ACTION**

***EXAMINER'S AMENDMENT***

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

3. **IN THE SPECIFICATION:**

**Page 1, lines 4-10:**

Please delete the entire paragraph, lines 4-10, and replace it with the following paragraph:

--This application is related to co-pending application serial No. 09/935,021 entitled "Analog Method and Circuit for Monitoring Digital Events Performance" by Joseph Weiyeh Ku, and co-pending application serial No. 09/934,891 entitled "Digital Event Sampling Circuit and Method" by Joseph Weiyeh Ku, both filed in the United States Patent and Trademark Office on the same date as the present application. The above-mentioned related applications are incorporated by reference into this present application.--

***Drawings***

4. New formal drawings are required, because the drawings filed in this application are informal.

***Allowable Subject Matter***

5. Claims 1-31 are allowed.

***REASONS FOR ALLOWANCE***

6. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest individually or in combination the following:

detecting a plurality of digital events indicative of electronic system operations and heat generated during the operations, accumulating a count of a subset of the plurality of digital events in a counting circuit, the subset of digital events occurring within a sampling window time interval, and controlling a cooling arrangement responsive to the counting circuit.

For these reasons claims *1, 16, 20, 21 and 23* are deemed to be allowable over the prior art of record, and claims *2-15, 17-19, 22 and 24-31* are allowable by dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
